Training Choir: In order for children to be eligible to join RTÉ Cór na nÓg in September, they **must** take part in a training and assessment course. The Training Choir will meet for six Saturday morning sessions between March and May and places for the September intake of RTÉ Cór na nÓg will be filled from this group. Places will be offered in early June.

Auditions: will be held on the afternoons of March 3 and 10 in the RTÉ Radio Centre, Donnybrook. Children should be aged between 10 and 13 in September 2012 to be eligible and boy's voices must be unbroken. The choir meets twice a week in the Donnybrook area during school terms on Wednesdays, 5.30pm – 7 pm and Saturdays, 10 am – 12 noon and members are expected to regularly attend **both**. New members are subject to one term's probation and eligibility to perform at concerts could be affected by a poor attendance record. Membership of RTÉ Cór na nÓg demands a very high level of commitment from the whole family, but is a highly rewarding experience. Please contact the Choral Officer if you need further information before applying on behalf of your child.
