TURKISH DELIGHTS

★ KUSADASI on the Aegean Coast has everything you might look for in a sun holiday – great beaches, a luxury yacht marina, excellent restaurants and excursions to many of the historic attractions; equally enjoyable for both adults and children.

The people are fantastically welcoming and the prices are a constant delight to visitors.

★ The cost of eating out, getting around, excursions and activities is much less than in other popular sun destinations.

High standards of accommodation, coupled with excellent friendly service is what's on offer at amazingly low prices.

★ As the number one tour operator for holidays to Turkey, Sunway offers the best accommodation on the market for families, couples and singles at the best value.

Those travelling alone can avail of very low single supplements. The value continues while on holiday, as Turkish resorts remain the Mediterranean's best value-for-money destinations and visitors will be amazed at how far their euro will stretch in the many restaurants and bars.

★ Getting there couldn't be easier as Sunway offers direct flights from Dublin, Cork and Shannon airports and all prices include return transfers to your resort.

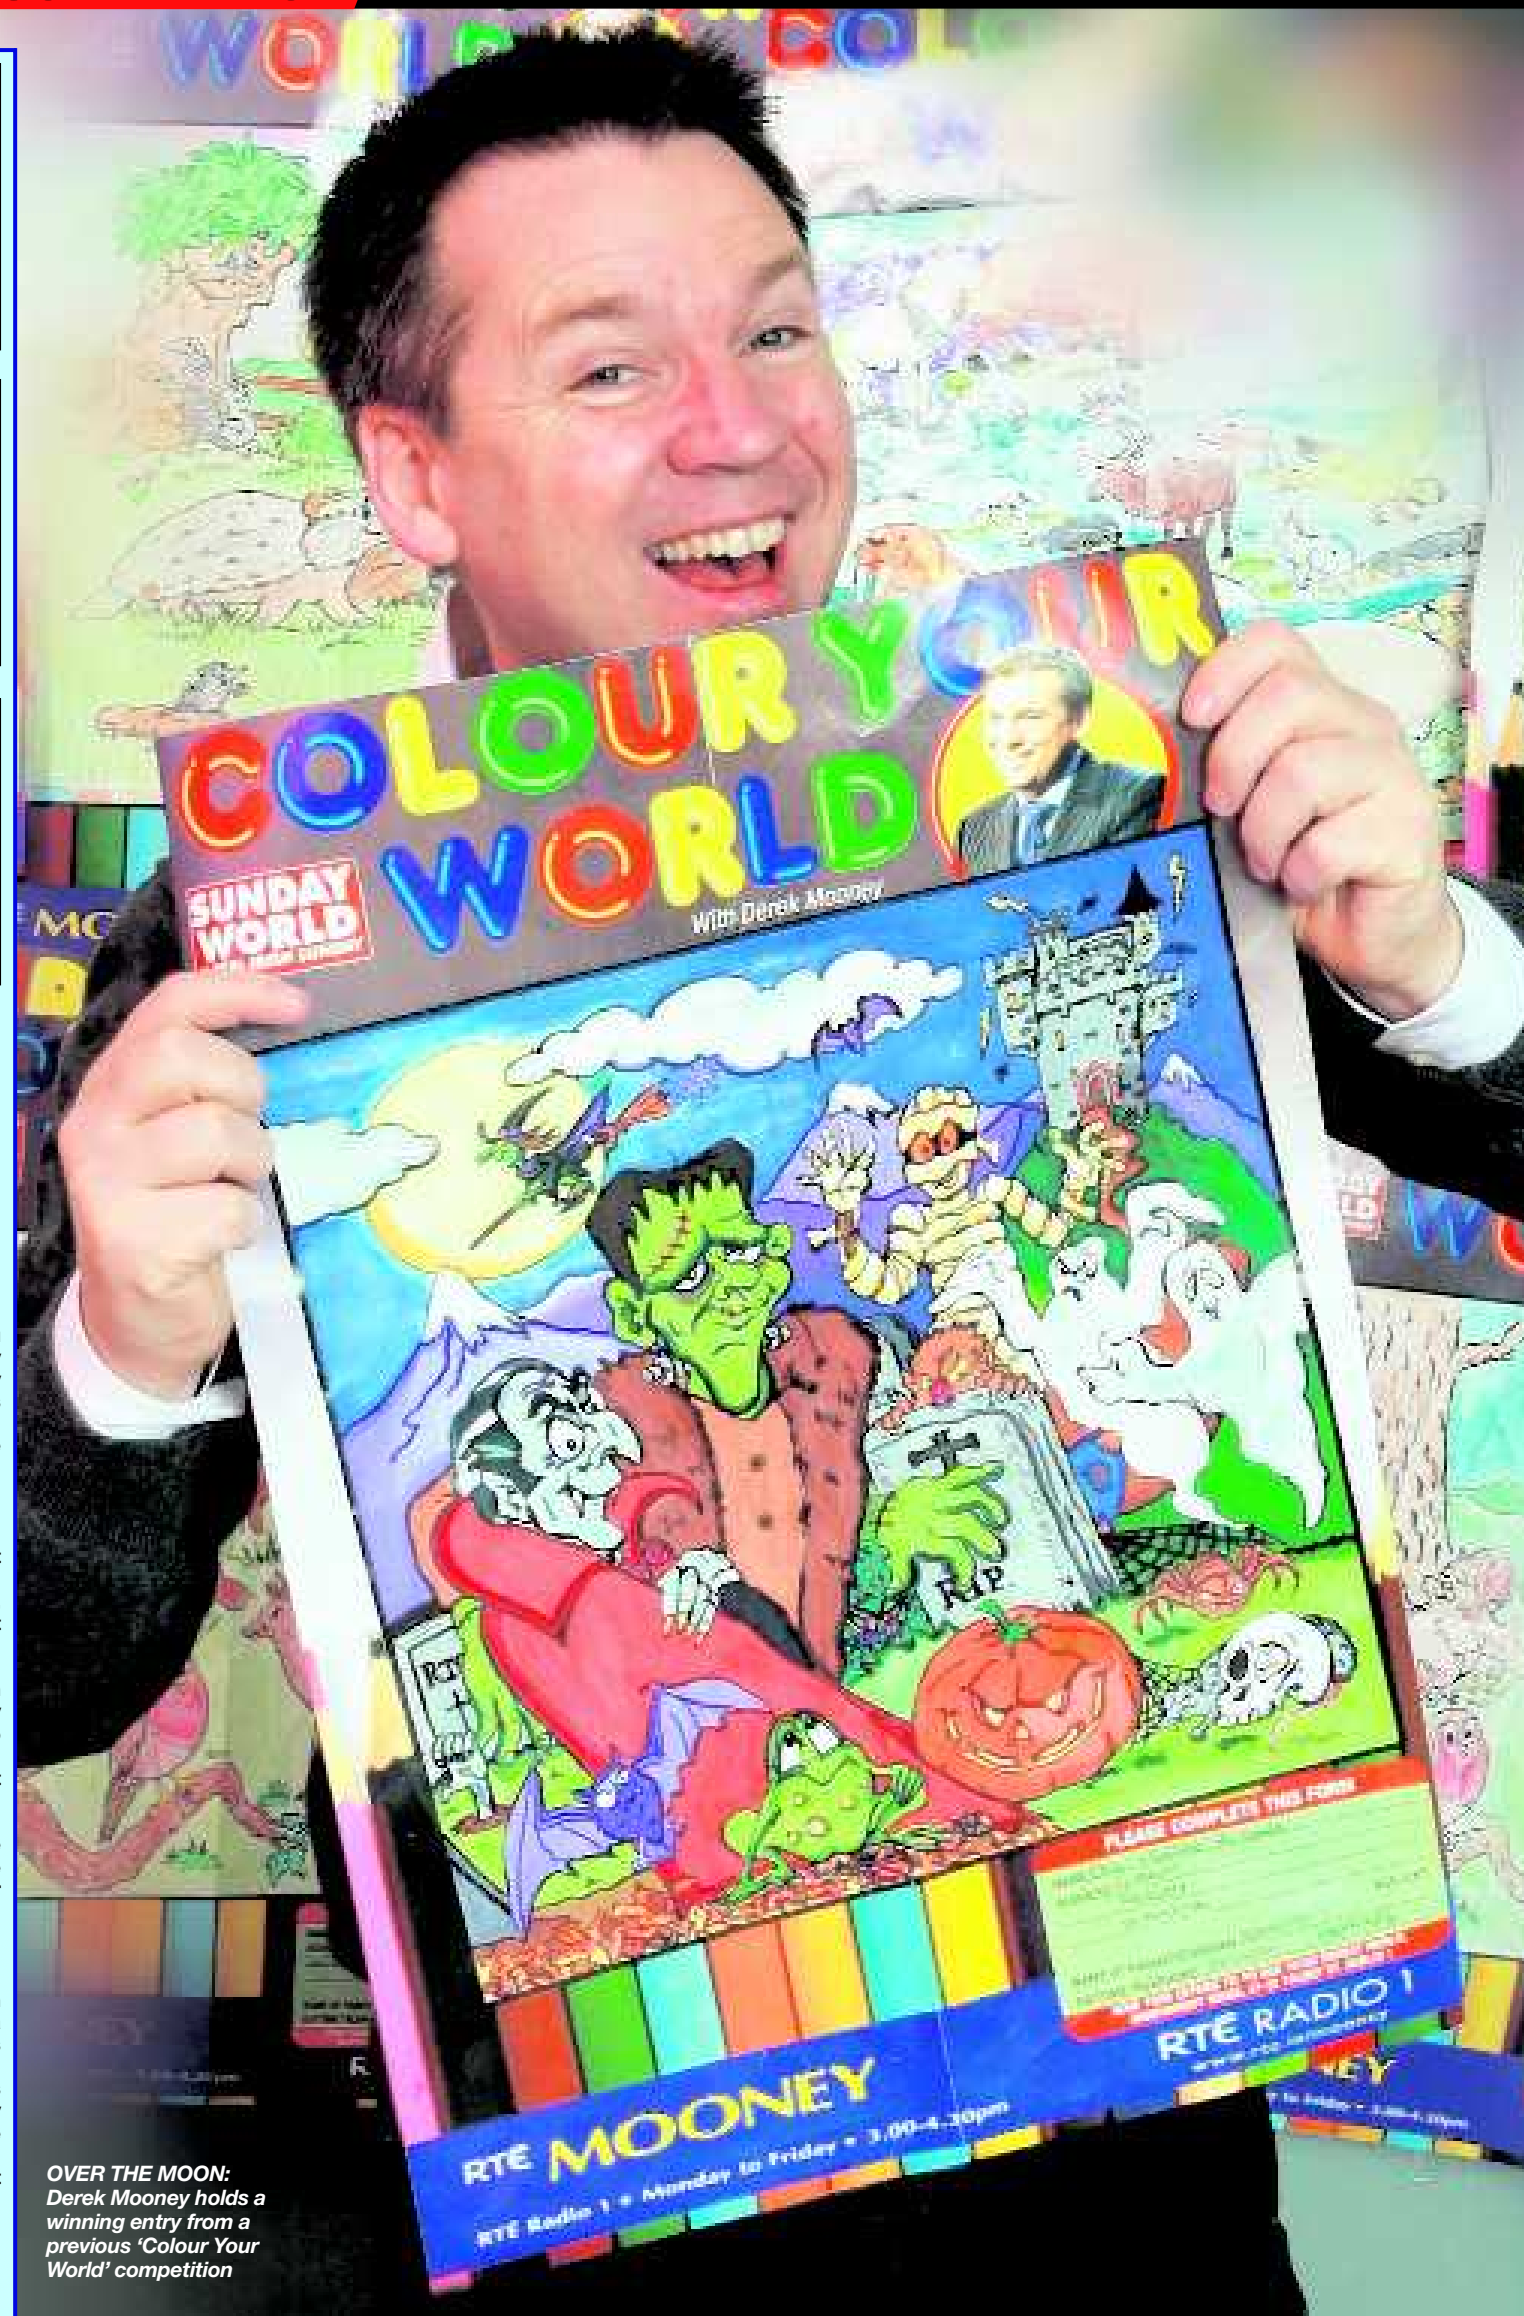

Turkey has it all for the perfect holiday – the Turkish people are incredibly welcoming, the cuisine is mouth watering, the coastline breathtaking, the nightlife cosmopolitan and for culture there are many historical sites such as Ephesus within easy reach of the resorts.

★ Most importantly, Turkey boasts more than 300 sunshine-filled days per year.

Sunway offers exclusive access to the Irish owned Palmin Group Hotels which comprise the Palmin Hotel, the Sea Pearl Hotel and the Palmin Sunset Plaza Hotel, which has undergone an extensive refurbishment last winter.

★ These four-star hotels are ideally located in the Ladies Beach area of Kusadasi and operate a customer loyalty programme offering guests many extras in addition to the usual comforts associated with four-star quality.

Visit sunway.ie or phone 01 2311865 to find out more about Turkey and the fantastic value on offer.
