

VALUES

Identifying your personal values is an important part of loving your job. Try to make sure that as many as possible of your top 5 are on offer. In this situation, the word "value" refers to how you feel about the work itself and the contribution it makes to what you feel is important. Most people who do work that is linked with their values feel satisfied and successful in their what they do.

The following is a list of personal values that many people have identified as being important to them in their careers. To begin exploring your own personal work values, rate each value listed with the following scale and add other values you think essential to your list.

1 - Things I value VERY MUCH
