

**Information release**

**21 June 2013**

***Residential Mortgage Arrears and Repossessions Statistics: Q1 2013***

**Summary**

The Central Bank today (21 June 2013) publishes the latest data on mortgage arrears, repossessions and restructures for the period ending March 2013. The main points are as follows:

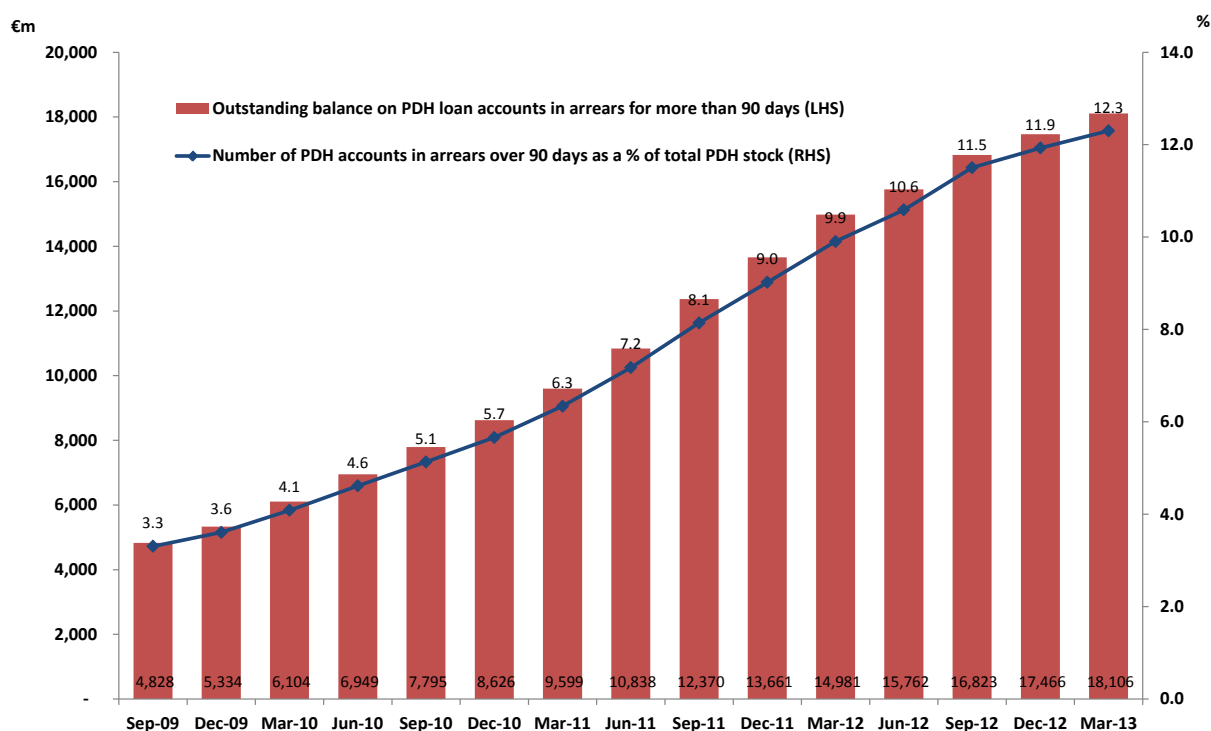

- There were 95,554 (12.3 per cent) private residential mortgage accounts for principal dwelling houses (PDH) in arrears of over 90 days at end-March 2013, up from 92,349 accounts (11.9 per cent) at end-December 2012.
- The number of PDH accounts in longer-term arrears over 180 days increased by 4.8 per cent in Q1 relative to Q4, while quarter-on-quarter growth in the number of accounts in arrears over 720 days was 12 per cent.
- The number of PDH accounts in early arrears fell marginally during the first quarter of the year. The figures show that 46,564 PDH accounts were in arrears of less than 90 days at end-March, reflecting a quarter-on-quarter decline of 0.7 per cent.
- There was a total stock of 79,689 PDH mortgage accounts classified as restructured at end-March. New data collected this quarter indicate that 76 per cent of these are deemed to be meeting the terms of their restructure arrangement.
- There were 29,369 (19.7 per cent) residential mortgage accounts for buy-to-let (BTL) properties in arrears of over 90 days at end-March 2013, up from 28,366 (18.9 per cent) at end-December 2012.

## Residential Mortgages on Principal Dwelling Houses

### Arrears

At end-March 2013, there were 774,109 private residential mortgage accounts for principal dwellings held in the Republic of Ireland, to a value of €109.9 billion. Of this total stock of accounts, 95,554, or 12.3 per cent, were in arrears of more than 90 days.<sup>1</sup> This compares with 92,349 accounts (11.9 per cent of total) that were in arrears of more than 90 days at end-December 2012. The outstanding balance on PDH mortgage accounts in arrears of more than 90 days was €8.1 billion at end-March, equivalent to 16.5 per cent of the total outstanding balance on all PDH mortgage accounts.

**Figure 1: PDH Mortgage Accounts in Arrears Over 90 Days**

The divergent trends in early arrears and longer-term arrears continued in Q1. There was a quarter-on-quarter decline of 0.7 per cent in the number of accounts in arrears of less than 90 days, which stood at 46,564 at end-March, or 6 per cent of the total stock. Meanwhile, the number of accounts in arrears of over 360 days increased by 7.4 per cent during Q1. At end-March 2013, 54,135 PDH accounts, or 7 per cent of the total stock, were in arrears of over 360 days. Just under half of these

<sup>1</sup> The figures published here represent the total stock of mortgage accounts in arrears of more than 90 days, as reported to the Central Bank of Ireland by mortgage lenders. They include mortgages that have been restructured and are still in arrears of more than 90 days, as well as mortgages in arrears of more than 90 days that have not been restructured.

were in arrears of more than 720 days. The outstanding balance on PDH accounts in arrears over 360 days was €10.8 billion at end-March, equivalent to 9.8 per cent of the total outstanding balance on all PDH mortgage accounts.

## **Restructuring Arrangements**

Forbearance techniques include a switch to an interest only mortgage; a reduction in the payment amount; a temporary deferral of payment; extending the term of the mortgage; and capitalising arrears amounts and related interest<sup>2</sup>. The figures also include a small number of modification options such as split mortgages and trade-down mortgages, which have been introduced in recent months to provide more long-term solutions for customers in difficulty.

A total stock of 79,689 PDH mortgage accounts were categorised as restructured at end-March 2013. This reflects an increase of 1.8 per cent from the stock of restructured accounts reported at end-December 2012. Of the total stock recorded at end-March, 53 per cent were not in arrears. Restructured accounts in arrears include accounts that were in arrears prior to restructuring where the arrears balance has not yet been eliminated, as well as accounts that are in arrears on the current restructuring arrangement. New data collected this quarter indicate that 76 per cent of restructured PDH accounts were deemed to be meeting the terms of their arrangement. This means that the borrower is, at a minimum, meeting the agreed monthly repayments according to the restructure arrangement. Meeting the terms of the arrangement should not be interpreted as a measure of sustainability, as not all restructure types represent longer-term sustainable solutions.

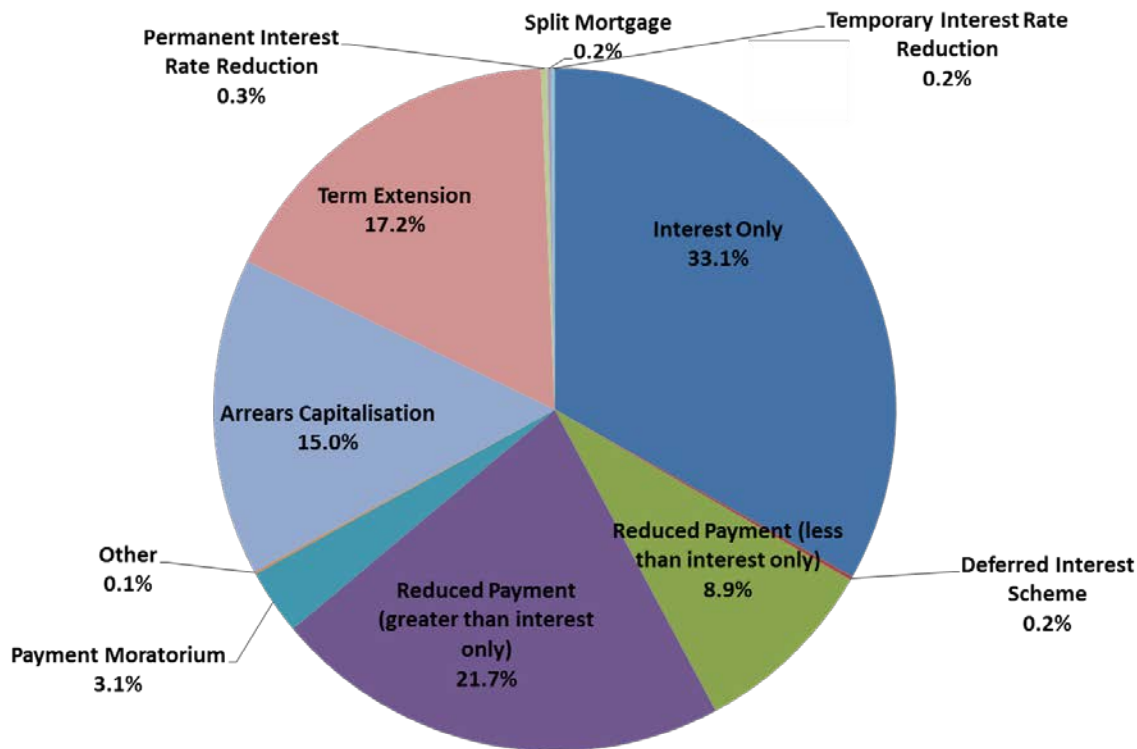

A total of 24,706 new restructure arrangements were agreed during the first quarter of the year.<sup>3</sup> Interest only arrangements and reduced payment arrangements (interest plus some capital) continue to account for the majority of all restructures in place, although their share fell to 55 per cent of total restructures at end-March, compared to 59 per cent at end-December 2012. A breakdown of restructured mortgages by type is presented in Figure 2. The data on arrears and restructures indicate that of the total stock of 142,118 PDH accounts that were in arrears at end-March 2013, 37,454, or 26 per cent, were classified as restructured at that time.

---

<sup>2</sup> Arrears capitalisation is an arrangement whereby some or all of the outstanding arrears are added to the remaining principal balance, to be repaid over the life of the mortgage.

<sup>3</sup> This includes first-time restructures and further modifications of existing restructures.

**Figure 2: Restructured PDH Mortgage Accounts by Restructure Type, end-March 2013**

**Legal Proceedings and Repossessions**

During the first quarter of 2013, legal proceedings were issued to enforce the debt/security on a PDH mortgage in 255 cases. Court proceedings concluded in 222 cases during the quarter, and in 105 of these cases the Courts granted an order for repossession or sale of the property. There were 897 properties in the banks’ possession at the beginning of the quarter. A total of 166 properties were taken into possession by lenders during the quarter, of which 49 were repossessed on foot of a Court Order, while the remaining 117 were voluntarily surrendered or abandoned. During the quarter 153 properties were disposed of. As a result, lenders were in possession of 910 PDH properties at end-March 2013.

## Residential Mortgages on Buy-to-Let Properties

### Arrears

At end-March 2013, there were 149,395 residential mortgage accounts for buy-to-let properties held in the Republic of Ireland, to a value of €30.9 billion. Of this total stock of accounts, 29,369, or 19.7 per cent, were in arrears of more than 90 days. This compares with 28,366 (18.9 per cent of total) that were in arrears of more than 90 days at end-December 2012. The outstanding balance on BTL mortgage accounts in arrears of more than 90 days was €6.6 billion at end-March, equivalent to 27.7 per cent of the total outstanding balance on all BTL mortgage accounts.

The number of accounts that were in arrears of more than 180 days was 24,760 at end-March 2013, reflecting a quarter-on-quarter increase of 4.9 per cent. This compares to an increase of 7.2 per cent recorded in Q4 2012, relative to Q3. Meanwhile, the number of accounts in arrears of over 360 days increased by 8.4 per cent during Q1 2013. At end-March 2013, 18,199 BTL accounts, or 12.2 per cent of the total stock, were in arrears of over 360 days. The outstanding balance on these accounts was €5.7 billion at end-March, equivalent to 18.3 per cent of the total outstanding balance on all BTL mortgage accounts. There was an increase of 5.2 per cent in the number of early arrears cases during the first quarter of the year. The number of BTL mortgage accounts in arrears of less than 90 days was 10,002 at end-March, or 6.7 per cent of the total stock.

**Figure 3: BTL Mortgage Accounts by Arrears Category, end-March 2013**

## **Restructuring Arrangements**

A total stock of 21,504 BTL mortgage accounts were categorised as restructured at end-March 2013, reflecting a decrease of 1.1 per cent from the stock of restructured accounts reported at end-December 2012. Of the total stock recorded at end-March, 61 per cent were not in arrears, while 78 per cent were meeting the terms of their restructure arrangement. A total of 5,897 new restructure arrangements were agreed during the first quarter of the year. Interest only arrangements and reduced payment arrangements (interest plus some capital) continued to account for the majority of restructures in place for BTL mortgages (approximately 69 per cent). The data on arrears and restructures indicate that of the total stock of 39,371 BTL accounts that were in arrears at end-March 2013, 8,363, or 21.2 per cent, were classified as restructured at that time.

## **Legal Proceedings and Repossessions**

There were 447 BTL properties in the banks' possession at the beginning of Q1 2013. A total of 77 properties were taken into possession by lenders during the quarter, of which 30 were repossessed on foot of a Court Order, while the remaining 47 were voluntarily surrendered or abandoned. During the quarter 45 properties were disposed of. As a result, lenders were in possession of 479 BTL properties at end-March 2013.

## ***Annex 1: Mortgage Arrears Data and Further Information***

The mortgage arrears data, along with a set of explanatory notes, are available in the Mortgage Arrears section of the Statistics portal of the Central Bank of Ireland website: <http://www.centralbank.ie/polstats/stats/mortgagearrears/Pages/Data.aspx>.

The Central Bank of Ireland has produced a number of consumer guides to assist consumers who are in arrears or facing arrears, including

- Mortgage Arrears - A Consumer Guide to Dealing with your Lender;
- Mortgage Arrears - Frequently Asked Questions; and
- Guide to Completing a Standard Financial Statement.

The above guides, that include information on the protections that are available to consumers in financial difficulty, are available to download from the [consumer information section](#) of the Central Bank website.
