SPHE

Famous Animals

Today we learned that animals can be super heroes! They have been helping humans for centuries!

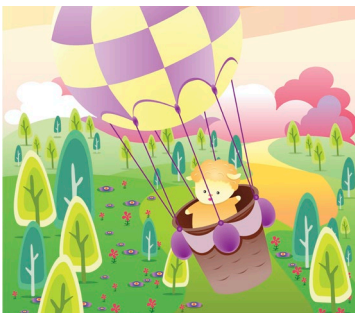

Some animals have even gone to space while others stay on earth, helping humans from sniffing out dangerous items to finding precious lost treasure! Animals also help each other. Did you know that Irish dogs donate their blood, just like humans, to help other dogs! How nice is that!

Superhero Animal Stories

Let's fire up our imagination! We have learned that animals are capable of amazing heroics! Some of their achievements even sound made up! Like who would have guessed that a sheep flew in a hot-air balloon!

Write a story about a super hero animal that did something amazing! You can use the following images as a mood board to help inspire you! A mood board is a collection of images to help you find inspiration! Lots of artists and designers use them.

My Superhero Animal Story

A spiral-bound notebook with a cream-colored cover and a lined page. The page is white with light blue horizontal ruling. The spiral binding is on the left side, with the wire visible through a series of holes. The notebook is set against a solid grey background.

1) C In 1783, Montaucliel the sheep became the first land mammal to fly when he rode in the basket of a hot air balloon!

2) B Pickles found the World Cup Trophy after it was stolen in 1966 in England. When England won the World Cup a few weeks later, Pickles was invited to the celebrations!

3) A Ham the Chimpanzee was sent in Space in 1961, ten weeks before the first human went into Space. Ham was considered a hero at the time but today, some people think it might have been unfair to send Ham into Space.

4) B Cher Ami was able to fly out of a war zone with a message attached to her leg. The message explained the US soldiers were trapped and needed urgent help. Cher Ami was shot down but managed to start flying again and deliver her message to an army base. The message saved hundreds of US soldiers. Cher Ami means "Dear Friend" in French

5) A Balto led a team of huskies across Alaska, battling through blizzards and freezing conditions. They were carrying important medicine to stop the outbreak of disease in an Alaskan town. They even made a film about him called Balto!
