Road and Path

Project Book

Learn About Your Local Area

Interview somebody that has lived in your local area for a long time. Use the space below to write some questions that will help you understand what your local area needs. Remember to keep sustainability in mind.

Question 1:

Question 2:

Question 3:

Question 4:

Project Book

Brainstorm

After researching what sustainable towns look like, its now time as a class to decide what features you want your build to have. For example: adequate housing, sustainable homes, recycling centre. Write them in the shapes below.
