

Really easy to grow Tomatoes

Cherry varieties

Tom Thumb and Tumbler. Great for hanging baskets, tubs or window boxes or in a small pot on you kitchen window.

Gardeners Delight

This is my favorite medium size fruit amazing flavor and is treated as a bush type no side shooting. When the first yellow flowers appear start to feed with a tomato fertilizer guaranteed success.

Lettuce

Little gem, Butterhead, iceberg, Baby leaf and Lola Rossa (purple or lime green) cutleaves as you are going to use them.

Peppers and Cucumbers

(Femspot all female variety) courgettes treat the same as tomato's.

Strawberries

Brilliant for hanging baskets 3 plants per basket. Also hanging over balconies and spilling out of pots. Varieties Sonata and Florence great

Apple trees, Cornet

Two varieties on the same tree Irish grows only 6 foot high slender in shape. Cox Orange Pippin and James Grieve really good varieties.

Especially for Brendan Rhubarb

Timberly, Early and Champagne two of my favorite varieties.
