

## APPLICATION FORM

Email completed forms to: [diysosireland@motive.ie](mailto:diysosireland@motive.ie)

Please consider carefully before applying. The person who needs help must:

- They must *need* changes made to their house, not just want.
- They must need large structural changes not just cosmetic changes such as painting, decorating or gardening.
- Must have planning permission in place if large renovation is needed, or if proposed renovations does not require planning.
- They must **own** their house in Ireland (unfortunately we cannot help with rental properties, flats or apartments, or council-owned houses or housing association properties).
- Only own one property (we cannot help if they own more than one).
- We can only help with private residences – not businesses or charities.

### Application Criteria / Rules:

*If you're a homeowner - or know of a homeowner – who have had (or a member of the family have had) a change in circumstances that means you now require major building work to your property, then we may possibly be able to help. We're not looking for projects that only involve painting and decorating a few rooms. We are looking to build, renovate and redesign homes, from the garden to the attic and where there is a genuine need for structural change.*

- You must be a resident of Ireland
- There is no fee for participating in this Series
- If you are chosen to participate in the programme, you agree to authorise Motive Television to conduct background checks in order to verify any of the information you have supplied and you agree to provide them with any assistance or further information needed
- If you are selected to take part in the programme you agree to sign a contributor consent form

and grant all necessary rights

- You agree to inform Motive Television if any details included in this application change.
- Submission of an application form and compliance with the above does not in any way constitute an offer to appear in the programme.
